To Our Members,

Trillium Mutual's focus remains on ensuring premiums are put to work supporting our members in Agriculture and Rural Communities across Ontario. While we continue to see and feel the impact of inflation, supply chain disruption and climate change in the global insurance and reinsurance industries, we continue to work on your behalf to provide stability and protection in a world of rising costs. To hear more about our financial performance and our focus on the future, we invite you to join us for our annual meeting which will be held in Listowel on March 21, 2023.

We look forward to seeing you there!

Tracy MacDonald, CEO & President | Ben Rier, Chair of the Board
