

INVOLVED IN AN ACCIDENT?

If involved in an automobile accident, follow the below steps and collect the following information to submit to Trillium.

1 SAFETY FIRST

If involved in a minor accident, move vehicles out of traffic to avoid any more collisions and turn on your hazards. If you have them, use cones or warning triangles to alert other drivers.

2 CALL THE POLICE

The police will help at the time of the accident by collecting valuable information. This may include taking down a statement from each driver and any witnesses in the police report. Be sure to record the police report number down as this can be very valuable to the claims process!

3 COLLECT OTHER DRIVERS INFORMATION

Make sure to collect the following information from the other driver: name, address, driver's licence number, vehicle year, make, model & licence plate.

4 FILE A CLAIM

Please contact your broker directly who will help you submit the claim to us and provide us with all of the information collected above. If during regular business hours please contact our office at **1-800-265-3020**. If after hours please contact Sedgwick new claims line at **1-800-235-8784 (1-800-ADJUST4)**.
